

*La Collection*  
ÉMAIL LUMINEUSE

## **La Collection Émail Lumineuse**

42 Stainless steel watch case, single-curved sapphire crystal. Mechanical self-winding Movement  
The strap, a combination of black calf leather and green rubber. The dials Émail Lumineuse, various black  
& white pictures appearing through solid bioluminescent cold enamel.

On the following pages you will find a selection of available possibilities for the Émail Lumineuse concept  
that I have manufactured:

**I can create your individual picture for you**
