

ILLUM AURORA

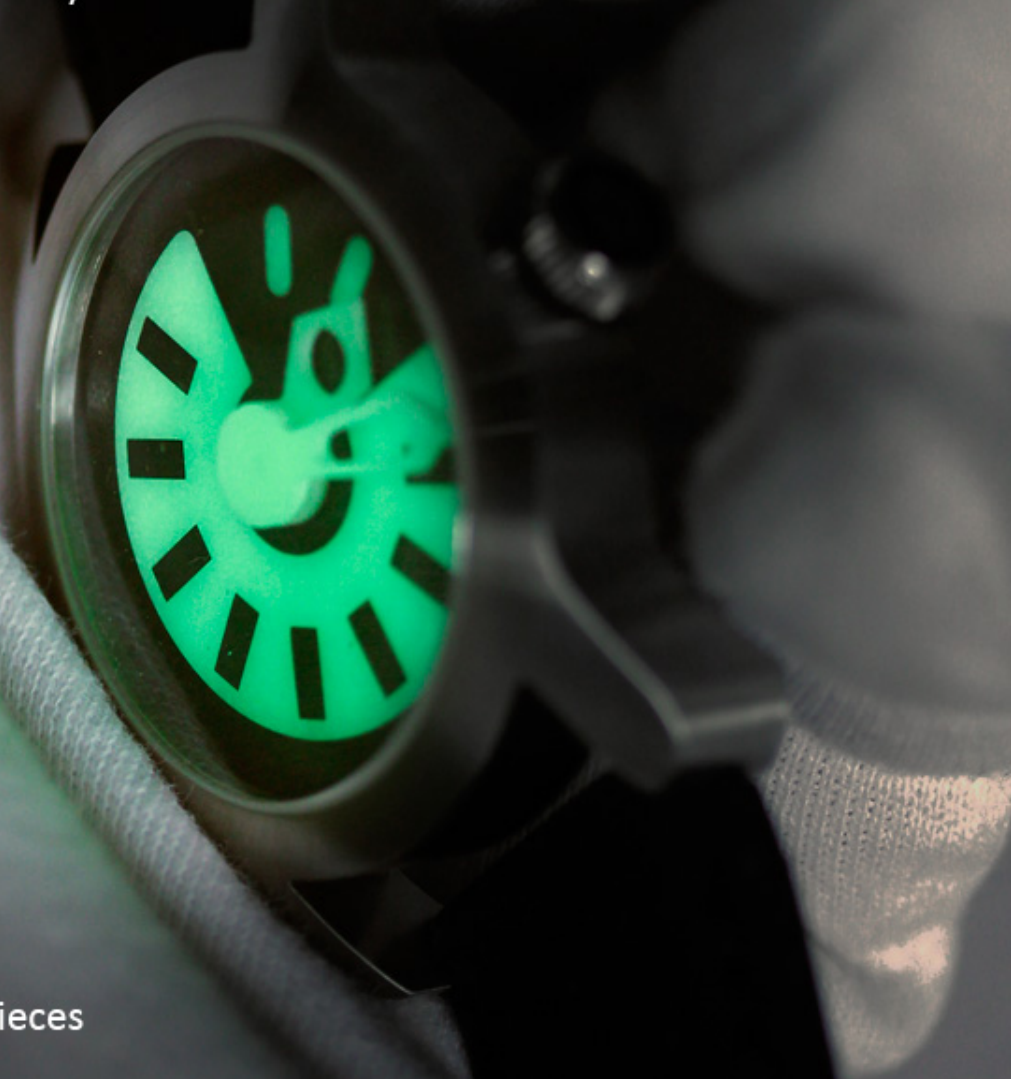

## ILLUM AURORA

Two-body circular stainless steel case with integrated corns, screwed back, screw-locked steel crown with AM symbol inlay in black enamel, 3mm single curved sapphire crystal, mechanical self-winding movement, 11,500'', 25 Rubies, natural rubber strap or solid stainless steel bracelet. 20 ATM (200 meters) Case Caliber 42 mm. Dial pure Email Lumineuse "AQUA Green" with black print. Thee hands solid Email Lumineuse. The Email Lumineuse is a recent development of Angular Momentum and a fusion of enamel and an organic bioluminescent substance with enormous luminous capacity. The Email Lumineuse is only available in "Aqua Blue" and the quick loading "Pale Green". The luminous powder was gained from oyster powder after an old 17th century process. Since the parts are hand made, slight Irregularities and color differences on dial and hands are unavoidably.

The Serial is Limited to 50 Pieces

The Special Price is USD 1'480.-
